

November 2023

Dear parent/carer,

### Voluntary Financial Contributions 2024 – Senior School

Southern Autistic School is looking forward to another great year of teaching and learning and would like to advise you of Southern Autistic School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide students with a wide range of resources and initiatives outside the standard curriculum, including:

- Enhanced Wellbeing Support (eg Speech Pathologists, Occupational Therapists, Social Workers, Mental Health Practitioner, Psychologist, Tutors and an Inclusion Outreach Coach)
- Communication tools and technology devices (provision and upkeep)
- Upgraded facilities and grounds (eg swimming pool upkeep, playground enhancement)
- Digital and online subscriptions for learning and student/parental communication tools
- Specialist programs

Southern Autistic School is endorsed as a Deductible Gift Recipient under the Income Tax Assessment Act 1997 (Cth) with the result that any donations made by you will be tax deductible. To be tax deductible, your donation needs to be made voluntarily. We have suggested an amount to be contributed under "Curriculum Contributions" and "Other Contributions" below, but please feel free to contribute an alternative amount. Amounts paid under "Extra-Curricular Items and Activities" are not donations and are not tax deductible.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Scott Tucker  
Principal

Rochelle Pettit  
School Council President

## ONE PAGE OVERVIEW

### FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

### PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

#### Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

#### Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

#### Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

### FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

### SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
